

LOCAL AREA TIPS

Hi! 🙌 Here are some recommendations and useful tips to make the most of your stay at Casa de Covés.

Fire starters are in the drawer in the living room, next to the firewood. We usually leave some branches and a bag of charcoal in the laundry room.

If you'd rather have someone else do the cooking, there's also a fantastic grill restaurant right on the beach in Cabanas:

Labora Brasería

4. Pontedeume

A perfect town for a stroll and tapas. In summer, it's better to visit during the week because it gets quite crowded. Off-season, it's much calmer but still lively:

5. Seafood at the Market

If you're visiting during the day, a great plan is to visit Cunchas Casaprima in the Pontedeume market. They'll cook the seafood for you, and you can eat it on-site, either indoors or on the terrace. It's best to go early as they sell out quickly.
